

Inspirational, Mindset, Motivational, Singles and Families Personal Coach

Coach Chitra affectionately known as Coach CeeCee 2 U! is the Dean of Honor U. As the Dean of Honor University, Coach CeeCee is your personal life coach who will Honor You always. I aspire to uplift those who feel like they may be lost in life's passion to inspire and motivate chaos. Coach Chitra, otherwise known as Coach CeeCee, has the e young men, women, families, and singles who may need encouragement for a positive mindset, or a boost of confidence to get over life's obstacles. She can help you discover your hidden talents, sense of confidence, love of self and others, and reassure YOU of who U truly are and willing to become.

With a professional background in human resources and social services, the Dean of Honor University will always Honor YOU in a way that will make you feel empowered! I will help you navigate through the campus called Life in the different classrooms whether through submission of a cover letter or resume, or to network with complete strangers. At the end of your Honor U semester, YOU will be confident enough to walk into your next chapter with a purpose, and positive mindset to accomplish any goal that U set your mind to achieve knowing you have received a GRADE A!
