

## Enlighten Me

Welcome! I am Alisha Diane Partee. My soul calls me Hidden Treasure. I am your psychospiritual soul coach. I enlighten others to the very essence of who they truly are. I connect with souls on a deeper level to reach individuals who are serious about living a holistic wholly lifestyle; aligned spiritually, physically, emotionally, and financially. I started my journey of enlightenment and, after our first son Gavin was born, I realized just how much I wanted to live. And now that I am truly living my best life, I aim to share this feeling with the masses. So I took rapid action by becoming a Life Coach and Consultant with Nature's Sunshine Products. My program, "Heal Thy Self" is designed to help others align themselves mind, body, and soul. I also offer weekly educational classes that I'd love for you to check out! I aim to create a community of freedom walkers living their best lives thriving on purpose. If you are one of the chosen ones, I invite you to register today and be sure to connect with me on the following: <https://www.instagram.com/thesoulcoach2020> <https://www.facebook.com/thesoulcoach2020> <https://www.linkedin.com/in/alisha-partee-66912a1a9/> Ask me about my All Natural Holistic Health products!
